

Kamal Imani & Eastern Philosophy Poets

BAND STORY

"

Eastern Philosophy is an eccentric fusion of Dub Poets, Spoken Word Poets and hip hop lyricist. The foundation of the group are Sister Tintawi, Ras Isatu and Kamal Imani. They are assisted on and off stage by DJ/Producer RawtalentIIIWill. They bring a new level to the world of spoken word and a new flava to hip hop and dancehall. "There's a New Frequency and it's eastern in it's philosophy".
