

Onslaught

BAND STORY

"

Onslaught is the next big thing on the reggae scene. Born Brian Dobson, Kingston, Jamaica, Onslaught was destined for success with roots from his famous father, Welton Irie. He is a remarkable up and coming artist that brings a sound not heard in awhile by many Reggae artists. Onslaught's greatest attribute is his powerful delivery of his unique yet powerful lyrical message. The tunes coming from Onslaught is a new and creative blend of conscious music that sends out a pure energetic vibe.

Change

Reggae

Onslaught is taking a slow approach to producing songs that only want to make people dance. His music stands for a sense of purpose. Onslaught's single titled, "Change" speaks about bringing social change to not only Jamaica but the world. This song's title and message will grab a hold of your mind just as it did with President Obama's campaign and victory speech.

Change is currently being played on internet radio stations in the US.
