BAND STORY

"

It's good 2 be original album released year 2006 sold 1,500 copies in New Jersey just alone. His first local exposure which granted him a wide fanbased in different genres of music. His versatille flow and his own style

makes him unique than any upcoming artist in New jersey. he's also putting New jersey on the map in hip-hop in general whether it's a party song or a gangsta rap or a political message type of song he has a message everyone can relate.

Borned to two Jamaican parents of a talented dad in reggae music he choose another path through the way doing rap music- Hip-hop. He's dad and family grewed up all around music until he meet a friend during the 8th grade that raps. So everyday after school he would go over his frinds house and make a hit on a cassette tape.

Now he's here with his highly anticipated album name "KNOWLEDGE IS POWER" which features the first single "PARENTAL CONTROL" Including many other hits which is rated by friends and fans as a worldwide future classical album.

All he's life rap superstar MANNY grewed up In Newark, Irvington and surroundind areas but was born in the city of Orange, NJ. July 25, 1989.

He's currently putting the finishing touch on this project called "KNOWLEDGE IS POWER" but has been at this for a good while. On this album he talks about how politican
